

DLS FLATBOX® SLIM XL

Flatbox Slim XL - A design speaker, the perfect alternative if you want small speakers with a superb sound.

They can be used both as front speakers or centre speaker together with most DLS Flatbox models. The flat design makes them fit perfectly as a centre speaker.

The front grille is attached with strong invisible magnets.

Both a white and a black front grille is included. Also available in black high gloss finish.

There are key hole mounts on the rear for both horizontal and vertical mount.
